

A PERSONAL NOTE: Donald Dunn wrote a very interesting article about OTR in the Feb. 6th issue of Business Week. I was mentioned along with John Adams, Barbara Watkins, John Dunning, Don Macfele (SPERDVAC), Lewis Krieger (Vintage Broadcast Society), Buffalo & Colorado Clubs, Jack Shugg. It should give much wider exposure and a boost to our hobby...Karen has been typing the last few issues of HA -- a big improvement I hope...There has been much less call for the Benny, Gunsmoke & Escape log than I thought, so I will not be revising my Suspense log for a while. The collectors list is also very slow in coming. My 1977 list had 170 people. So far only 15 people have responded. They will be included in HA.
